Get a heat pump tune-up – **FREE*** with **\$90 instant rebate!**

Dear Customer Name,

Everyone wants to manage energy costs, and Dominion Virginia Power has a program that can help. When you tune-up your heat pump, you get a \$90 instant rebate — which makes the tune up FREE!*

MORE SMART SAVINGS

In addition to getting the \$90 instant rebate, a heat pump tune-up can help lower your energy bill by increasing the energy efficiency of your home. It can also:

- Prolong the life of your existing equipment
- Ensure your equipment is clean and has good air flow
- Provide better temperature and humidity control

TUNE-UP MADE EASY

Simply use the handy contractor search tool at domsavings.com/heatpump or call 1-888-366-8280 to locate a participating contractor in Dominion's contractor network. Schedule your heat pump tune-up at a time that's convenient for you.

NO HASSLE, INSTANT REBATE

When your tune-up is complete, simply assign your rebate directly to your contractor to help offset the cost of the tune-up. Your contractor will take charge of submitting the rebate form.

It's that simple! Schedule your tune-up today and save money while improving the energy efficiency of your home.

*Customer must assign \$90 rebate to the contractor.
